Temperature

TempShield® is our double wall, vacuum insulated technology that guards the temperature of any drink. It also guarantees no condensation or heat transfer to the outside of the bottle, ever. Cold stays ice cold and hot stays steaming hot for hours.

Taste

All of our products are made with 18/8 pro-grade stainless steel – a metal recognized for its strength and purity. It also protects against flavor transfer, ensuring today's latte won't taste like yesterday's lemonade.

Transport

Thanks to our proprietary powder coat, your bottle stays slip-free, making it easy to go wherever you do.
